Jeffrey Turner, M.D.

Compassionate Oncology Medical Group would like to introduce the new addition to our medical team - Dr. Jeffrey Turner.

Dr. Turner is a native of Southern California, having grown up in Orange County and attended the University of Southern California. He was the first student to graduate USC's 3-year accelerated science program with a bachelor's degree in Biological Sciences. Subsequently, he was employed as a research associate at UCLA in infectious diseases and molecular biology. His medical education and residency were both completed in Canada. His medical degree was at Memorial University of Newfoundland in eastern Canada and more recently, he completed Internal Medicine residency at the University of British Columbia in Vancouver, BC on the opposite coast. The year after completion of his postgraduate training, he was employed as a hospitalist in Laguna Beach and Los Angeles. Lastly, he has just completed his medical oncology fellowship at the Medical University of South Carolina with a focus on genitourinary oncology with several research projects and publications focusing on prostate and renal cell carcinoma.

Dr. Turner is a Diplomate of the American Boards of Internal Medicine & Medical Oncology.

Those who know Dr. Turner attest to his warm personality, sense of humor, and dedication to his patients. His hobbies include rowing, surfing, weightlifting, saltwater reef aquariums, and spending time with family and friends.

Please join us in giving Dr. Turner a warm welcome.
